As a Member of the Baraboo Country Club, I will strive to...

- ~ Arrive and be checked in 10 minutes prior to my scheduled tee time and be ready to hit my first tee shot on time.
- ~ Treat the golf course facilities with the same respect and care as if they were my own.
- ~ Respect the authority of the Golf Shop staff and take my complaints to the GM and/or Board of Directors if needed.
- ~ Uphold the tradition of the Club regarding my behavior both on and off the course as I represent the Club in our community.
- ~ Strive to **be an example of the rule rather than the exception to it.**
- ~ Play at or faster than the posted course pace of play (4 hours and 20 minutes). If the group behind me is faster, I will allow them to play through as soon as possible.
- ~ Repair all my divots and ball marks as well as an additional ball mark per green to maintain our excellent playing conditions.
- ~ Make every effort to keep my cart on the cart paths provided around all tees and greens. If I have a disability which prohibits me from doing so, I will display a blue flag on my cart.
- ~ Music is becoming more and more common on the golf course and the BCC is a fan. Please ensure that you and those riding with you are the only ones listening to your music.
- ~ Educate my guests as to the expectation of etiquette at the BCC.

The Baraboo Country Club believes these behaviors will enable us to attract and retain the very best individuals in our community.
